

CIC/Walmart College Success Awards

Mini-Grant Application

- Compete for a \$500 SLAM grant (\$250 for faculty mentors/ \$250 for project expenses¹)
- This competition is for first generation students only.
- Prepare an MSWord file that includes the following information:
 1. Student name
 2. Faculty mentor name
 3. Project title
 4. Project description²
 5. Itemized budget
 6. Confirm IRB approval³
- Electronically submit application to Marshall Angle:
mangle@mhc.edu

Notes.

¹Allowable expenses include books and other materials, printing/copies, technology, travel, compensation for research participants, and student stipends.

²Sumarize what you want to learn by doing this project. Describe how you will do the research (e.g., library or archival research, interviews, surveys, lab or field work). Tell why this project is important.

³ Any project that involves animal or human subjects requires IRB approval. Go to the Mars Hill College IRB Moodle page in order to complete the IRB process. When submitting your SLAM grant application, designate your IRB status:

- I have applied for IRB approval and am waiting for confirmation. I understand that my project will not be granted without IRB approval.
- My project has been granted IRB approval. I am including my IRB confirmation notice as part of my SLAM grant application.
